Dear Sir,

With reference of letter cited above we have reviewed the results and summarised the results as mentioned below:

1. The profile of M/s Supreme Bituchem India Pvt Ltd, Nagpur (M.S.) as submitted by you for supply of Poly sulphide sealant for joint filling of rigid pavement, Curing Compound and Primer have been gone through.
2. As per Article 602.2.10 of MORTH specifications for Road and Bridge works, testing of Joint filling material shall be conducted. Kindly arrange testing from approved lab and further factory visit.
3. Procurement of Sealant, Curing Compound and Primer Material from M/s Supreme Bituchem India Pvt Ltd, Nagpur (M.S.) with condition that tests at manufacturing site will be conducted as per stipulations in IRC/MORTH codes and contract provisions. Also all materials to be shipped to the site shall be assigned a lot number and tagged for the identification purposes. All samples of materials be submitted as per guidelines/specifications as specified in MORTH specifications for Road and Bridge works. Third party tests will be conducted in NABL accredited lab.

In view of above kindly arrange factory visit and test report from third party.

Thanking you and assuring our best services in faith of good engineering practices.
